FLOAT RULES

1. No trailers without side rails
2. Limit number of persons on trailers or floats. Please do not crowd the floats.
3. There must be 1 adult for every 5 children per float or trailer – actively on float and not just walking along side of the float
4. All children must be seated in the float (no standing)
5. Adults must have control of children on float
6. No feet hanging from float
7. No horse play on four wheelers or floats
8. Do not unload the floats until they are at the school bus parking lot. Do not unload at the Railroad Avenue! Everyone should stay on the floats until completely stopped.
9. Any reports of participants throwing candy in a manner of being aggressive will result in the float being removed from the parade by the nearest police officer. We have had complaints of children throwing candy aggressively, horse playing on the floats, jumping on and off the floats.
10. The Parade Route begins at the turn to 261. Please do not throw candy before the turn.
11. The Parade Route is a long route; please do not throw all your candy at the beginning.

These rules must be followed, in order to maintain a safe and fun atmosphere for the parade participants and audience.

Sincerely,

2019 Christmas Parade Committee
